4.4.2 Procedures and policies for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc.

The physical facilities of the institution including laboratories, classrooms and computers are available to students. In certain disciplines such as Physics, Chemistry, Mathematics, Botany, Zoology and Geography the students are introduced into a laboratory curriculum. Students are charged for laboratory expenses at the time of admission. A specific amount of money is allocated for the maintenance of laboratories and classrooms which is part of the teaching-learning process. The classroom boards and furniture facilities are regularly utilized by students but sometimes it is also available for the governmental and non-governmental organizations for conducting the examinations like SET, WBSSC and so on. The maintenance of the classroom, laboratories and college library are done on regular basis by non-teaching staff and also by students of NSS. The college is equipped with a considerable number of computers with internet connections in different locations like office, laboratories, libraries and departments. The college website is regularly maintained and updated. The academic support facilities like library and the ground for sports are available not only to students but also to other stakeholders with prior permission from the authority. Accession to library is permitted through the deposit of caution money. The cleaning of the library through fumigation is frequently done by the library staff. The sports committee of the college makes good performance in spite of the inadequate infrastructure of this college. Maintenance of computers and accessories, generators, water purifiers are done on regular basis.
