A Report

One day international level webinar on “Outsider in Science”

22.09.2021

Report of the Webinar

An international webinar on “Outsider in Science” was organised by Department of Zoology, Rampurhat College, Rampurhat, Birbhum, West Bengal on 22th September 2021, from 11:00 am to 1:00 P.M (IST).

The webinar was conducted by Prof. Arup Kumar Sinha, convener of the webinar, Department of Zoology, Rampurhat College requested Dr. Buddhadeb Mukherjee, Teacher-in-charge, Rampurhat College to deliberate the welcome address to the hon’ble eminent research scholar and the resource person of the webinar Dr. Soumendranath Bhakat , Post-doctoral fellow , Washington University, USA and all the participants of the said webinar. Dr. Buddhadeb Mukherjee welcomed the resource person and all the participants. Prof. Sinha complemented Dr. Bhakat for his research works at different levels and publications of 35 papers in different international journals.

Dr. Bhakat started his deliberation with a unique vision on different aspects including (1) Persons with no academic degree or affiliations but still persuing science. (2) Persons with academic degree but not affiliated with regular academic institute but still persuing science. (3) Persons who are experienced in a particular field and crossover to another field for curiosity. Throughout his lecture Dr. Bhakat astounded all the participants.

In the question answer session the resource person cleared all the doubts of the participants.

Dr. Prabal Kumar Sinha, Chairman IQAC, Rampurhat College gave vote of thanks to all participants, resource person and all the participants of this webinar.

The convener of the webinar ended the meeting with thanks.

During the webinar session feedback link was send to the message box of meeting link and about 84 participants were replayed through the link.

The webinar was held on Google Meet and also hosted on YouTube.
